Final Preparation – Aptis Reading Exam

1 - Refresh your memory

Read the passage quickly. Choose a heading for each numbered paragraph from the box and write it in the space above the paragraph. There is one more heading than you need.

- A) Getting things in order
- B) Choosing carefully from the box
- C) Skim and then read for detail
- D) Read at speed
- E) Organise your time
- F) A gentle start

The Aptis Reading Exam

1) _____
 The Aptis reading exam consists of 4 parts. It must be completed within 30 minutes. No time guidance is given for each part of the test. For this reason time management is key to success. If you don't allow enough time for the final parts, you could lose marks needlessly. The tasks get more difficult as the exam progresses.

2) _____
 Part 1 is usually fairly easy. Candidates must choose one of 3 words to fit gaps in a short text. The vocabulary choices are simple, but a good knowledge of 3 areas of vocabulary: collocations, conjunctions and prepositions will improve your mark on this part of the exam.

3) _____
 Part 2 is a little more challenging. Candidates have to order 6 lines of a text (there are 7 but the first is completed as an example). It tests understanding of text 'cohesion' through the use of pronouns and adverbs. You have to link words like 'it', 'them' and 'there' to words in previous paragraphs. You are required to drag the sentences with your mouse to reorder them.

4) _____
 Part 3 is more challenging still. Like Part 1, you must choose words to fit gaps in a text. However, the text is longer, the vocabulary is more difficult and all the words you need are in a box below the text, along with several distracters that often cause candidates to make errors. It tests your knowledge of collocations, rare vocabulary meaning, grammar words and text cohesion.

5) _____
 Part 4 is often the most challenging part. You have a long text (750 words) and several headings that you must match to the paragraphs. Being able to read quickly is a good skill to have, but you'll also need to read in more detail when two paragraphs contain similar information. This part of the exam tests text comprehension and also vocabulary knowledge.

The answers are at the end of this booklet.

This task was similar to which of the 4 Aptis reading tasks?

2 - Do the Aptis Website Practice Reading Exam

Now go to the Aptis Reading exam and do it individually. Once you press Start Component, you'll have only 30 minutes left. Remember to manage your time well! Here's the website address:

<http://www.britishcouncil.org/aptis-practice-tests/AptisReadingPractice/>

When you've completed it, the website will give you a mark. Write it here: _____ %
