Thor: Love and Thunder roared into theaters on July 8, and Marvel fans seriously can't get over the fourth installment in the beloved Marvel franchise. And we get it — there are so many elements that come together to make arguably one of the best superhero film in recent years. WATCH FULL MOVIE ----- CLICK HEREYou have Thor (Chris Hemsworth) recruiting Valkyrie. Meanwhile, Korg (Tessa Thompson and Taika Waititi) are busy trying to salvage what's left of their home planet Asgard and start anew. You have a tyrannical villain called Gorr the God Butcher (Christian Bale) who's dead set on eliminating the existence of all higher beings. Plus, the return of Jane Foster (Natalie Portman) a.k.a. Mighty Thor. Bu this doesn't even cover all the easter eggs viewers have noticed since it was released. Yes, this film sounds fabulous, and you may be wondering some age-old questions. Can I watch Thor: Love and Thunder at home? How and where can I can stream the new Marvel movie? And when can I expect Thor: Love and Thunder to land on a streaming site? Luckily, we have some answers, and you won't even have to get off your seat for it. Here's what you need to know about watching Thor: Love and Thunder online: This content is imported from YouTube. You may be able to find the same content in another format, or you may be able to find more information, at their web site. Where to watch Thor: Love and Thunder: As of right now, Thor: Love and Thunder from their living rooms in late August at the earliest. If you missed Taika Waititi's latest Thor movie when it hit theaters or you're just looking to rewatch Thor: Love and Thunder, you're in luck. The new Thor movie is finally available to stream on Disney+, joining the streaming service's roster of other popular Marvel movies and TV shows, including She-Hulk: Attorney at Law and Doctor Strange in the Multiverse of Madness. Here's how to stream Thor: Love and Thunder online on Disney+, and how to watch the latest Thor movie for free. Buy Disney+ Monthly Subscription \$7.99 Thor: Love and Thunder first hit theaters back in July but the MCU movie is finally available to watch on Disney+. The run time is just about two hours and the new Thor movie features the IMAX Enhanced badge, which means you'll get a better aspect ratio when you stream, similar to a more cinematic experience.
